CAREER

The Objective

Today's competitive environment is a wonderful combination of competition and opportunities and fortunately for professional students, opportunities to dominate the competitions. This Summit will answer three basic questions students always have – What should be done? How it should be done? and When is the right time to do?

The Platform

It is an event through which we will showcase the students all the options available upto post graduation. This program is not only to show them the Destination but also to put them on the right path to achieve their Goals. It will give the students a clear picture about the various profiles in different areas so that students can take a right decision in their career path based on their capabilities and interest.

Areas of interest include, but are not limited to:

- Job opportunities for Engineering & Management Graduates in Corporate World
- Competitive Exams (PSU/ IES/ Civil Services/ Bank PO)
- Defense Services (Army/ Air Force/ Navy)
- Overseas Jobs Opportunities
- Higher Studies in India (Premium Institution for MBA/ M.Tech/ PGDM)
- Higher Studies Overseas (Targeting Premium Foreign Universities, Cracking GRE/ TOFEL/GATE/ CAT)
- Entrepreneurship Development
